## **Delek US Announces Special Dividend of \$0.20 per share**

BRENTWOOD, Tenn., June 21, 2022 [/PRNewswire/](#) -- Delek US Holdings, Inc. (NYSE: DK) ("Delek US") today announced that the board of directors declared a special dividend of \$0.20 per share. The dividend is payable on July 20, 2022 to shareholders of record on July 12, 2022.

This special dividend is indicative of a robust macro environment for refining and complements the \$64 million share repurchase, at \$18.30 per share, from the Icahn Group on March 7, 2022, which represented approximately 5% of the shares outstanding at that time. Return of cash to shareholders remains a priority for the company along with maintaining a strong and flexible balance sheet. The board will assess the potential for instituting a sustained dividend payment in connection with the second quarter earnings results which are scheduled to be announced in early August.
